

July 2016
FOR IMMEDIATE RELEASE

Motorsport enthusiasts and thrill seekers in Sheffield will soon have a £1.5m karting facility after planning permission was granted on 5^h July 2016 for a state of the art indoor Go Kart track to be built just 2 miles from Meadowhall Centre.

TeamSport, the UK's largest Indoor Karting operator has a proven track record of opening and operating successful indoor karting venues across the country. TeamSport Sheffield, due to open January 2017 will be its' nineteenth venue and is set to be a real people pleaser for the residents and hundreds of thousands visitors to the City each year.

Two industrial units that are currently empty will be brought back to life with a multilevel, state of the art Indoor Go Kart track that will provide over 800m of nail biting bends, exhilarating long straights and jaw dropping ramps for up to 20 karters to race around at any one time.

All visitors to the TeamSport venue can expect an awesome time, where fun is guaranteed. Whether you are a karting newbie, a seasoned pro or a cadet karter who is a budding Lewis Hamilton.

Dominic Gaynor, Managing Director of TeamSport Karting said; "We are really excited to have secured a prime location close to the Meadowhall Centre. Sheffield is a thriving City with so much to offer its' residents and visitors, it will be fantastic to now add the thrill of Indoor Karting to the list. The great location and our excellent value karting offers will ensure karting is accessible to everyone looking for an adrenaline fuelled, fun day out."

TeamSport Karting Sheffield promises a karting circuit like no other. This unique venue will offer:

- State of the art venue with free parking and full spectator area
- Year-round karting for all, with karts for racers as young as eight years old
- Licensed Fuel Bar for drinks and food
- Private conference facilities for corporate clients
- Facilities for private parties, product launches and filming

In addition to bringing a new form of entertainment to the region, TeamSport will create up to 40 jobs, a mix of both full and part-time roles, many of which may appeal to students & younger people.

Gaynor went on to comment that; "TeamSport Karting has a proven history of helping both the young drivers and young at heart drivers get their first taste on track with the comfort and knowledge of having all the right safety measures and equipment to support them. You never know the next F1 Superstar could be from Sheffield".
