

**February 2017  
FOR IMMEDIATE RELEASE**

**£1 million go-kart track gets the green light from Dunstable planners.  
Permission was granted on 16th February 2017 for a new multi-level state of  
the art indoor track to be built in Dunstable.**

TeamSport, the UK's largest Indoor Karting operator, has a proven track record of opening and operating successful indoor karting venues across the country. TeamSport Dunstable which is due to open June 2017 will be the company's twenty first venue and is set to be a real people pleaser for residents and visitors to the town.

An industrial unit within the Woodside Industrial Estate, which has been empty for almost two years, will be brought back to life with a state of the art Indoor Go Kart track. Motor enthusiasts and thrill seekers can expect a 500m multilevel circuit, hair raising bends, exhilarating long straights and jaw dropping ramps for up to 16 karters to race around at any one time.

All visitors to the TeamSport venue can expect an awesome time, where fun is guaranteed. Whether you are a karting newbie, a seasoned pro or a cadet karter who is a budding Lewis Hamilton.

Dominic Gaynor, Managing Director of TeamSport Karting said; "We're really excited to have secured the go head to build a centre within Dunstable. It's a thriving town with so much to offer its' residents and visitors, so it's fantastic to now add the thrill of Indoor Karting to the list. Our range of race events and our excellent value karting offers will ensure karting is accessible to everyone looking for an adrenaline fuelled, fun day out."

TeamSport Karting Dunstable promises a karting circuit like no other. This unique venue will offer:

- State of the art venue with free parking and full spectator area
- 500m multilevel circuit for up to 16 karters at one time.
- Professional race wear, full safety briefings and tuition.
- Year-round karting for all, with karts for racers as young as eight years old
- Licensed Fuel Bar for drinks and food
- Modern meeting facilities for corporate clients

In addition to bringing a new leisure activity to the area, TeamSport will create up to 40 jobs, a mix of both full and part-time roles, many of which may appeal to students & younger people.

Gaynor went on to comment that; "TeamSport Karting has a proven history of helping both the young drivers and young at heart drivers get their first taste on track with the comfort and knowledge of having all the right safety measures and

equipment to support them. You never know the next F1 Superstar could be from Dunstable”.
