As well as the professionally designed circuit, the venue has meeting facilities, a private party room and 'Fuel' - the track's fully-licensed snack bar which offers a range of rustic pizzas, hot dogs, and refreshing drinks, perfect for refuelling with after experiencing a few exhilarating laps around the track.

Whether you are a karting newbie, experienced race goer or a cadet karter who is a budding F1 champion, there's plenty of fun to be had. The company has a range of karting events and offers to ensure karting is accessible to everyone looking for an adrenaline fuelled day out.

Dominic Gaynor, Managing Director of TeamSport Karting said; "We're really excited to be opening in Harlow. It's a thriving town with much to offer its' residents and visitors, so it's fantastic we can now add the thrill of indoor karting to the list."

"Whether you're heading down to finally put a stop to your friend's claims of being the best driver, organising a fun teambuilding corporate day or celebrating a birthday in style the Harlow track has something to offer everyone.

"It's also the perfect place for a family fun day where kids and adults can race together and battle it out for the top spot on the podium.

"At our tracks we're seeing more and more people take up indoor go-karting as a hobby, which we are fully supporting by running offers such as half price Wednesdays & Thursdays, discounts for students and forces and our exclusive Grid membership. To coincide with the opening of our Harlow track we're running an opening offer of £25 per person on selected events which is running until the end of August."
