

**AUGUST 2017  
FOR IMMEDIATE RELEASE**

## **Ready, Set, Go! Newcastle gets New Indoor Go-karting Track**

TeamSport Karting, the UK's largest indoor go-karting operator, has opened its 23rd track in Newcastle this month.

The venue on Scotswood Road opens its doors to the public on Friday 25<sup>th</sup> August bringing a state of the art indoor karting centre to the city.

Inside the venue racegoers and thrill seekers can expect an awesome karting experience. Costing £1.2 million to build, the track and facilities are all set to delight everyone and with TeamSport's fun guarantee you can be sure your time there will be just that.

The former industrial unit has been transformed and what lies behind the doors is not one but two multi-level tracks! The professionally designed interconnecting circuits, provide over 800m of track, incorporating nail biting bends, exhilarating long straights and jaw dropping ramps.

With an extensive range of race events available, karting newbies, experienced race goers and cadet karters can all experience the adrenaline rush as the lights go green on track.

The facilities also include children party rooms, impressive meeting facilities to support TeamSport's corporate offering, relaxing spectator areas and 'Fuel' – the track's fully licensed bar serving a range of rustic pizzas and refreshing drinks.

Dominic Gaynor, Managing Director of TeamSport Karting, said "We're very excited to be opening in Newcastle, it's a fantastic city and we look forward to welcoming its residents and visitors to our new track."

"Whether you're looking for an action packed family day out where adults and kids can safely kart together, a head to head challenge against friends or a great teambuilding event we have something for everyone.

"Indoor karting is becoming a popular hobby across all ages and to support this we run offers such as half price mid-week karting, discounts for students and our exclusive Grid membership. To coincide with our Newcastle launch we are offering a special rate of £25 per person on selected events until the end of September."
