FOR IMMEDIATE RELEASE

Green Light Given by Planners for £1.2m Indoor Go-Karting Track in Bamber Bridge, Preston

TeamSport, the UK's leading Indoor Karting operator, has been granted permission by South Ribble Council to open a new centre. The company, who has a proven track record of operating successful indoor karting venues across the country, will open a state of the art venue in Bamber Bridge.

The track will be located on the Walton Summit Industrial Estate, and TeamSport project an investment of £1.2m in the build. Work is expected to start early this year on converting the existing unit and the company anticipates opening early summer.

For motor enthusiasts and thrill seekers there will be a two professionally designed multilevel circuits split across 3 floors which can also be combined to provide one long awesome karting experience. Expect hair raising bends, exhilarating long straights and jaw dropping ramps for up to 20 karters to race around at any one time.

Dominic Gaynor, Managing Director of TeamSport Karting said; "We're delighted to have received permission to open and are looking forward to welcoming residents and visitors to the track.

Our fantastic choice of race events and excellent value karting offers will ensure karting is accessible to everyone looking for an adrenaline fuelled, fun day out."

TeamSport Karting Preston will offer:

- State of the art venue with free parking and full spectator area
- 2 multilevel circuits across 3 floors.
- Racing for up to 20 karters at one time.
- Professional race wear, full safety briefings and tuition.
- Year-round karting for all, with karts for racers as young as eight years old
- Licensed Fuel Bar for drinks and food
- Kids party room
- Modern meeting facilities for corporate clients

TeamSport will create up to 40 jobs, a mix of both full and part-time positions, many of which may appeal to students & younger people.
