FOR IMMEDIATE RELEASE

## **Green light given by Bradford planners for new multilevel state of the art indoor go karting track.**

The UK's largest Indoor Karting operator, TeamSport, has been granted permission to build a new indoor karting track close to the city centre. The company has a proven track record of opening and operating successful indoor karting venues across the country and TeamSport Bradford will be its 26<sup>th</sup> centre in the UK.

Two units within the Beckside Business Park will be turned into a new state of the art indoor go karting venue. TeamSport intends to invest over £1million in the development of the centre which will provide motor enthusiasts and thrill seekers with an exhilarating experience. Opening is anticipated to be early summer and racers can expect a 580m multilevel circuit, hair raising bends, thrilling long straights and jaw dropping ramps for up to 18 karters to race around at any one time.

Dominic Gaynor, Managing Director of TeamSport Karting said; "We're delighted to have received the go ahead from planners for our new track. We hope Bradford's residents and visitors are excited to have a new leisure activity to experience. Our range of race events and our excellent value karting offers will ensure karting is accessible to everyone looking for an adrenaline fuelled, fun day out."

TeamSport Karting Bradford will provide:

- State of the art venue with free parking and full spectator area
- 580m multilevel circuit for up to 18 karters at one time.
- Professional race wear, full safety briefings and tuition.
- Year-round karting for all, with karts for racers as young as eight years old
- Licensed Fuel Bar for drinks and food
- Modern meeting facilities for corporate clients

TeamSport expect to create up to 40 jobs, a mix of both full and part-time roles, many of which may appeal to students & younger people.
