

24 May 2018
FOR IMMEDIATE RELEASE

**£1.2 million go-kart track gets the green light from Stockton Council.
Permission was granted on 23rd May 2018 for a new multi-level state of the art
indoor track to be built in Stockton.**

TeamSport, the UK's largest indoor karting operator, will convert the former Arco warehouse situated on Portrack Lane and install a state of the art indoor go karting circuit complete with customer facilities.

With a proven track record of opening and operating successful indoor karting venues across the country TeamSport expects the venue to open in November 2018. TeamSport Stockton will be company's 28th venue across the UK.

The Portrack Industrial Estate is a popular area of Stockton and TeamSport look forward to bringing a new leisure activity to the area for residents to enjoy. Motor enthusiasts and thrill seekers can expect a 500m multilevel circuit, hair raising bends, exhilarating long straights and jaw dropping ramps for up to 16 karters to race around at any one time.

Dominic Gaynor, Managing Director of TeamSport Karting said; "We're delighted to have secured the go ahead to build a centre within Stockton. The Portrack Industrial Estate is a thriving area and has excellent road and transport links too. We're very much hoping that our new centre will appeal to both the town's residents and those living nearby in the surrounding towns of Middlesbrough and Darlington."

TeamSport Karting Stockton promises a karting circuit like no other. This unique venue will offer:

- State of the art venue with free parking and full spectator area
- 500m multilevel circuit for up to 16 karters at one time.
- Professional race wear, full safety briefings and tuition.
- Year-round karting for all, with karts for racers as young as eight years old
- Licensed Fuel Bar for drinks and food
- Modern meeting facilities for corporate clients

In addition to bringing a new leisure activity to the area, TeamSport will create up to 30 jobs, a mix of both full and part-time roles, many of which may appeal to students and younger people.

Gaynor went on to comment "Our range of race events and our excellent value karting offers will ensure karting is accessible to everyone looking for an adrenaline fuelled, fun day out".
