

JUNE 2018  
FOR IMMEDIATE RELEASE

## **It's Go, Go, Go as TeamSport Indoor Karting opens in Preston**

A brand new leisure activity comes to Bamber Bridge as TeamSport Indoor Karting opens its doors to the public on Saturday 16th June.

The UK's leading operator has transformed a unit on the Walton Summit Centre into a state of the art indoor karting venue that's all set to become a firm favourite with thrill seekers and motor enthusiasts.

Race goers have a choice of not one, but three professionally designed tracks to kart on, as two multilevel circuits cleverly join to create a third awesome 800m circuit. With challenging corners, jaw dropping ramps and insanely quick straights race goers are guaranteed a fun time.

TeamSport has invested £1.5m converting the unit, ensuring the venue can cater for everyone; from meeting rooms for corporate teambuilding days to children party rooms and comfortable spectator areas. There's also a fully licensed snack bar offering hot and cold drinks and a range of pizzas, perfect for refuelling after a few quick laps out on track and celebrating the top spot on the podium!

Dominic Gaynor, Managing Director of TeamSport Karting said; "We're delighted to be opening our latest centre in Bamber Bridge, it's a great location and is easy to access from both the City and surrounding motorways. The new team are really looking forward to welcoming race goers to the track."

"We've a range of race events that caters for everyone, so whether you're a karting newbie or promising F1 superstar there's a race format perfect for you. We've also just launched our new Cadet Academy which offers tuition for kids aged 8-16 years to help develop them into advanced racers."

"As a hobby we're seeing indoor karting growing in popularity across all ages and to support this we run offers such as half price mid-week karting and discounts for students along with our exclusive Grid Membership. To coincide with our launch of TeamSport Preston we are offering a special rate of £25 per person on selected events until the end of July."
