FOR IMMEDIATE RELEASE**

**Green light given to £1.35 million go-kart track by council planners.**

Hertsmere Council have given the go ahead for a new indoor karting leisure attraction in the borough.

TeamSport Indoor Karting, the UK's largest operator who is renowned for revamping the indoor karting industry, will invest £1.35m building the centre which is expected to open early 2020.

The company's plans for the site on the Greatham Road Industrial Estate, Bushey show a state of the art centre featuring a professionally designed multi-level 500m circuit complete with hair raising bends, exhilarating long straights and jaw dropping ramps for up to 16 karters to race around at any one time. Modern customer facilities including a licensed bar, spectator gallery and kids party room will also be added.

In addition to bringing a new leisure experience to Hertfordshire, TeamSport will create up to 30 jobs, a mix of both full and part-time roles, many of which may appeal to students & younger people.

Dominic Gaynor, Managing Director of TeamSport Karting said; "We're delighted to have secured the go ahead to build this centre and look forward to adding the thrill of Indoor Karting to the list of fun leisure activities to do when we open. Our range of race events and our excellent value karting offers will ensure karting is accessible to everyone looking for an adrenaline fueled, fun day out."

All visitors to the TeamSport venue can expect an awesome time, where fun is guaranteed. Whether you are a karting newbie, a seasoned pro or a cadet karter who is a budding Lewis Hamilton.

TeamSport Karting Watford promises to be a karting circuit like no other. This unique venue will offer:

- State of the art venue with free parking and full spectator area
- 500m multilevel circuit for up to 16 karters at one time.
- Year-round karting for all, with karts for racers as young as eight years old
- Licensed Fuel Bar for drinks and food
- Private conference facilities for corporate clients
- Kids party room.
